

CATHOLIC SCHOOL

TAKE ANOTHER LOOK

On August 22, archdiocesan Catholic schools opened their doors for the 2006-2007 school year and admitted over 10,000 new and returning Catholic school students. As our students, faculty, staff and entire school communities begin a new academic year, we say our “Prayer for the Year of the Catholic School.” We invite you to include this prayer in your family prayers during the *Year of the Catholic School*.

PRAYER FOR THE YEAR OF THE CATHOLIC SCHOOL

God, our Father, we thank you for entrusting to us the mission given by Jesus, the Master Teacher, to go out and teach all nations.

In this Year of the Catholic School, we ask for your grace as we celebrate, dialogue, and reflect on the future of this ministry. We ask for your special blessing on our school communities and on all who generously support them.

May our Catholic schools continue to help parents bring children and young people to know, love and serve you, and to live the Gospel.

With one voice we ask these things through the intercession of Jesus Christ, your son, in the unity of the Holy Spirit, one God forever and ever. Amen.

Mary, Seat of Wisdom, guide us.

The Archdiocese of Denver’s Catholic Schools are an investment in the future of our children and our Catholic faith.
