

CATHOLIC SCHOOL

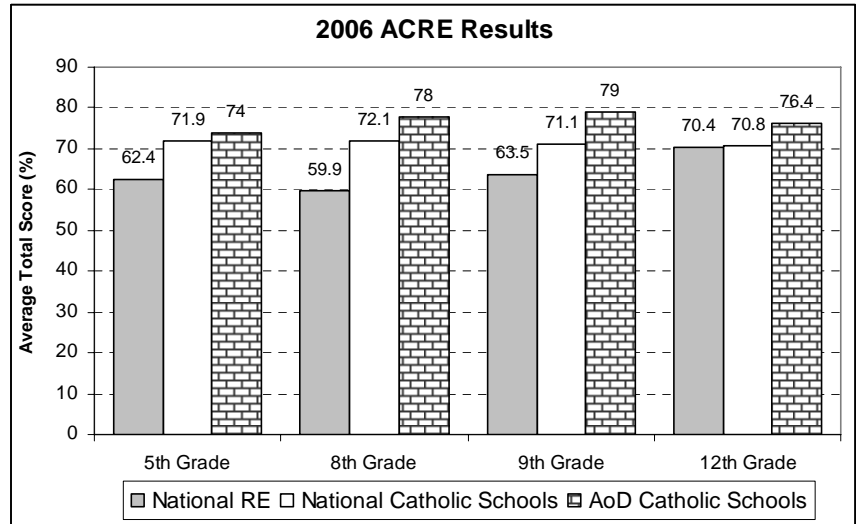

TAKE ANOTHER LOOK

“The Catholic school forms part of the saving mission of the church especially for education and the faith. It is not simply an institution which offers academic instruction of high quality, but, even more important, is an effective vehicle of total Christian formation.” (*National Directory for Catechesis, Chapter 9 4B, p. 262*).

The Assessment of Catechesis/Religious Education (ACRE) helps school, parish and diocesan leaders evaluate the faith knowledge and attitudes of students in grades 5, 8 and/or 9, and 11 or 12 and measures religious knowledge, beliefs, attitudes, practices and perceptions of:

- God: Father, Son, and Holy Spirit
- Church: One, Holy Catholic and Apostolic
- Liturgy and Sacraments
- Revelation: Scripture and Faith
- Life in Christ: Personal Morality and Catholic Social Teaching
- Church History
- Prayer/Religious Practices
- Catholic Faith Literacy

Archdiocese of Denver Catholic school students and students of parish Religious Education (RE) programs score higher than the national average on the ACRE assessment.

The Archdiocese of Denver’s Catholic Schools are an investment in the future of our children and our Catholic faith.
