

CATHOLIC SCHOOL

TAKE ANOTHER LOOK

The home environment of families is reinforced in Catholic schools. The Assessment of Catechesis Religious Education (ACRE), given to 5th, 8th and 12th grade students in Spring 2006 asked them to respond to some statements about qualities that most Catholic families value. The graph shows how strongly students agreed with these statements.

The Archdiocese of Denver's Catholic Schools are an investment in the future of our children and our Catholic faith.
