

*Catholic School Students discern actions and role of Jesus in their life*

Catholic school students in Grade 5, 8, and 12 respond to statements about their attitudes on the Assessment of Catechesis Religious Education (ACRE). They strongly affirm that they see Jesus as Savior and Friend.

The majority of these students report that they take time to think about whether their actions are right or wrong.

**The Archdiocese of Denver’s Catholic Schools are an investment in the future of our children and our Catholic faith.**
